

PREPARE MUFFINS FOR FRIENDS

Invite your friends for a snack at your house, prepare them some muffins.

(note: the activity can be also done with a group)

You first need to find “muffin” in the app and then you can choose the recipe that you prefer.

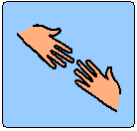

Click on the “shopping” button, so all the ingredients will be registered on your shopping list, now you can go and buy all the items you need.

You can ask the help of your parents or professional people to go to the supermarket and buy all the items that you need, or use the app Google Maps to reach it.

Now you are ready to cook!

Click on pictures or look at the video on how to prepare your muffins.

You can ask your parents or professionals to help you while you cook.

Enjoy the muffins with your friends!
